The screenshot shows the 'Vamos RACHAR!' app interface. At the top, the title 'Vamos RACHAR!' is displayed in a large, bold, blue font. Below the title, there are two input fields: 'Valor da conta' and 'Número de pessoas', both with light blue placeholder text. The 'Valor da conta' field is currently empty, while the 'Número de pessoas' field contains the value '0.00'. At the bottom of the screen, there are two circular blue buttons with white icons: a share icon on the left and a microphone icon on the right.

O aplicativo também está disponível em duas linguagens, português(2º print) e inglês (1º print)

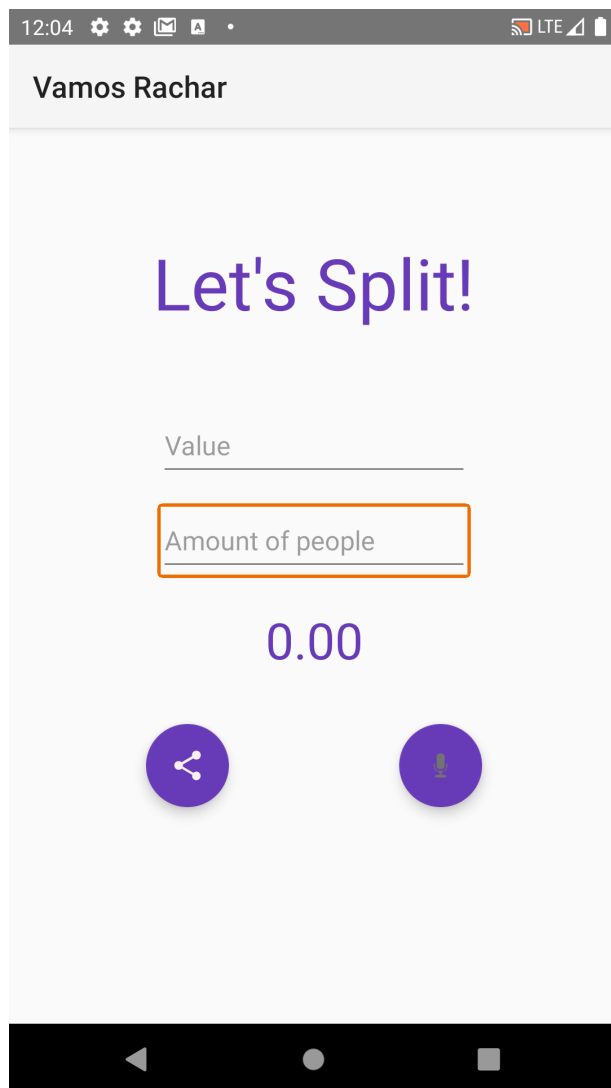

## Resumo do Accessibility Scanner:

The following is a list of opportunities to improve the accessibility of Vamos Rachar. Each item corresponds to an outlined area on the attached screenshot.

### Text contrast

com.example.vamosrachar:id/editTxtPeopleNum

The item's text contrast ratio is 2.66. This ratio is based on an estimated foreground color of #9B9B9B and an estimated background color of #FAFAFA. Consider using colors that result in a contrast ratio greater than 4.50 for small text, or 3.00 for large text.

Os problemas de acessibilidade encontrados foram referentes ao contraste das hints dos campos que devem ser preenchidos (Valor da conta e número de pessoas)
